## **2009 Junior World Judo Championship Trials and Selection Criteria**

The 2009 USA Judo National Junior Olympic Championships (referred to herein as the "Junior Olympics") shall serve as the selection event for the USA Judo Team to the 2009 Junior World Championships. The IJF-Junior division of the Junior Olympics will be held in Orlando on July 25, 2009.

Team USA will include athletes from the following divisions for the Junior World Championships: Women's 48kg, 52kg, 57kg, 63kg, 70kg, 78kg and +78kg and Men's 60kg, 66kg, 73kg, 81kg, 90kg, 100kg and +100kg divisions. Athletes must be born in 1990 or later to be eligible to compete in the Junior World Championships.

Athletes attending the Junior Olympics shall be seeded according to the established USA Judo seeding protocols. If the #1 seed wins the Junior Olympics he/she shall be the athlete selected in each category of competition. If the #1 seed does not win Junior Olympics, then that athlete and the winner of the Junior Olympics shall then engage in a fight-off match. The winner of that fight-off shall be the athlete selected for that category of competition.

In divisions where fight-offs are needed, these matches will take place immediately following the completion of all of the Junior Olympic gold medal matches.

The athlete who wins the Trials will be named to the Junior World Championship Team.

All athletes have a maximum of 48 hours from the naming of the Junior World Team to accept or decline their position.

For the divisions in which a best-of-three Trials is held, if the athlete named to the team declines the slot, the nomination will go to the loser of the best-of-three Trials.

If the athlete selected, according to the above criteria, declines for any reason, the person who is then ranked highest on the USA Judo IJF-Junior Elite National Roster, reflecting the results of the 2009 Junior Olympics, who participated in the 2009 Junior Olympics, will be the athlete selected. Subsequent declines will result in a progressive movement down the roster, according to the same criteria.

An athlete who is to be nominated to the Junior World Team may be removed from the nominations for any of the following reasons, as determined by the Athlete Performance Committee:

- \* Voluntary withdrawal. Athlete must submit a written letter to Eddie Liddie, Director of Coaching and Athlete Performance.
- \* Injury or illness as certified by a USA Judo approved physician (or medical staff). If an athlete refuses verification of their illness or injury by a USA Judo approved care giver, their injury will be assumed to be disabling and they may be removed.
- \* Violation of the USA Judo Code of Conduct.

In order to compete in the 2009 Junior Olympic Championships and / or qualify for the Junior World Championships Team, an athlete must be eligible to represent the United States in Olympic or World Championship competition.

### Categories of Competition and Weight Divisions

Please note that each Category is based solely on the year in which the contestant was born. The contestant's actual age on the day of competition is irrelevant. All Weights listed below are in kilograms. For each weight division, the weight range will be over the next lower weight and up to and including the weight listed. Exception: PJC lightweight in the IJF-Junior Category (explained below).

Example: Bantam 1, 28 kg – over 23 kg and up to and including 28 kg.

The Tournament Director reserves the right to make changes in the highest and lowest weight classes in ALL AGE divisions when it is in the best interest of the contestants to make these changes due to differences in weights. If there is a split into light and heavy divisions for safety reasons, only athletes fighting in the heavier division will be awarded points. The following age/weight categories will be in use **for this year's event (2009)**:

<b>BANTAM 1 (Born 2003):</b> Female AND Male: 19, 23, 28, +28 kg	<b>INTERMEDIATE 2 (Born 1997-1998):</b> Female AND Male: 28, 31, 34, 38, 42, 48, 53, +53 kg

**The IJF-Junior Category is the same as the International Judo Federation Junior-World Category. This means that there is no lower age limit. Athletes may enter if they are born in 1990 or later (1990, 1991, 1992, 1993, 1994 etc.).**

#### Clarifications to IJF Junior Category:

- The Pan American Judo Confederation (PJC) lightweight divisions, 44kg for women, and 55kg for men, will still be contested for PJC team selection purposes. Athletes whose weight would normally place them in these PJC divisions may elect to compete in the next higher weight divisions for Junior World Team selection purposes.**
- For some PJC events, eligibility is restricted to athletes born in 1990, 1991 and 1992 only. Therefore, athletes who are nationally ranked in the IJF-Junior Category but do not meet the PJC year of birth requirements, will not be eligible for USA team selection in such events.**
